### ***Reserve clause to be included in your contract***

*«Notwithstanding any provisions to the contrary, any rights herein assigned or licensed to **(name of third party)** shall be subject to the agreements that have already been entered into by **(your name)** or that may subsequently be entered into with collective societies administering performance or reproduction rights (including SOCAN, SODRAC or any sister societies worldwide). Consequently, under no circumstances shall **(name of third party)** modify or decrease **(your name)**'s share of the royalties collected by said collective societies. In addition, **(name of third party)** shall communicate the substance of this provision to all subsequent users.»*
